the maximum toll leviable on a motor car and a motor bicycle or tricycle is annas 4 and annas 2 respectively In the Municipal Regulation (Schedule II) no specific mention is made of a motor car or a motor bicycle but there is the head "four-wheeled carriage on springs and also the head "bicycle or tricycle It is not known whether the motor car comes under the former head and the motor bicycle under the latter If so the toll proposed to be levied is all right Otherwise it is to be reduced to annas 4 and annas 2 respectively

6 The Municipal Council intend levying annas 3 on a four wheeled carriage laden and annas 3 on a carriage unladen As, according to the Ml Regln the maximum toll leviable on a four-wheeled vehicle is annas 8 this is perhaps in order However according to the Municipal Account manual the toll leviable on a four-wheeled carriage is only annas 4

7 There is no provision in the Municipal Regulation or the Account manual for the levy of any toll on a sheep goat or pig, but the Ml Cl of Nanjangud intend to levy a toll of 1 pie on each of these animals This seems to be irregular It may also be mentioned here that in the Municipal Town of Tumkur and Tiptur no toll is levied on these animals

8 If approved, the rule may
